1. There are in society certain mechanisms for circulation (circuits);
2. These circuits clearly reflect the ideology of the producer, but at the same time it is possible they could receive insertions while they circulate;
3. This always happen whenever someone starts it.

[Insertion N°3] Trump: "I'll make racism great again"

The image shows a CNN news broadcast. In the center, Jake Tapper is speaking to the camera. Behind him is a scenic view of Washington D.C., featuring the U.S. Capitol building and other city landmarks under a clear blue sky. In the bottom left corner, a red banner displays the words "BREAKING NEWS". Below the banner, a large white box contains the text "TRUMP: 'I'LL MAKE RACISM GREAT AGAIN.'". To the right of this text, the CNN logo is visible along with the word "LIVE". At the very bottom of the screen, there is a horizontal news ticker. The video player interface at the bottom includes standard controls like play/pause, volume, and a progress bar indicating the video is at 5:16 / 15:06.
